

Supplementary information for Summative Assessment Tender

Q&A

1. Is it necessary to have an interim report as part of the deliverables for the summative assessment tender?

No, the interim report is not part of the essential deliverables for the summative assessment tender. The final summative assessment report is the main deliverable of the summative assessment tender.

2. Can the value of the summative assessment contract be amended/ is there a scope to increase the budget?

No, it is a fixed price contract.
